Message: I hope this message finds you well. I am writing to request a short leave from my internship due to my internal main exams, which will take place from the 16th to the 19th of December, 2024.

As my academic performance is crucial for my overall grades, I would like to focus entirely on my studies during this period. To ensure I fulfill my responsibilities for the internship, I propose extending my duration to compensate for these days. Instead of working on the 16th, 17th, 18th, and 19th, I am willing to work on the 21st, 22nd, 23rd and 24th of December.

I hope this arrangement is acceptable, and I sincerely appreciate your understanding and support regarding my situation.

Thank you for your cooperation.

&lt;&lt;&lt; LinkedIn also wants some assurance that the person who is posting the job is trustworthy or not.

Because everyone knows the cases of fraud are increasing day by day.
